PURPOSE
Annexation is a process where territory is incorporated into the City of Napa. All submittal materials should be provided in PDF format to the planningdepartment@cityofnapa.org. The fee can be mailed to the Planning Division at the address above.

SUBMITTAL MATERIALS

Some submittal requirements may be waived depending on the type of project. Unless waived on this form with a cross-out/staff initial, all submittal information shall be provided before the application is accepted as complete.

If another City permit or Project entitlement is also required, the materials supporting the added permit or entitlement must also be submitted.

If your application requires multiple permits or entitlements, submit the number of plans sets for the permit or entitlement that requires the largest number of plans sets.

□ 1 Planning Application Form - Completed and signed by all property owners holding a title interest.

□ 2 Fee/Initial Deposit - City Fee Schedule charges staff time and materials. Please refer to the Master Fee Schedule regarding our fees. Please make checks payable to City of Napa; we do not accept cash or credit card payments for applications.

□ 3 Written Project Description - Explain reasons why the annexation is requested, and properties involved (by address and Assessor Parcel Number). Identify whether the property is currently served by Napa Sanitation District, by Napa City Water, and whether it is within the City’s Rural Urban Limit (RUL) line.

□ 4 Other data or information necessary to complete processing of the map and environmental documents.

□ 5 Other - ____________________________ ____________________________________________

ADDITIONAL SUBMITTAL REQUIREMENTS TO BE PROVIDED FOLLOWING SUBMITTAL

The City of Napa coordinates annexation requests with the Local Agency Formation Commission of Napa County (LAFCO). Staff will review the annexation request and evaluate whether additional properties should be added to provide a logical annexation boundary. Once the annexation boundaries are identified and approved by the Napa City Council, staff will contact applicant to assist with completion of a “Justification of Proposal” form. A legal description and map identifying boundaries of the proposed annexation territory will also be needed in a format acceptable to LAFCO (but should not be prepared until annexation boundaries are identified).

CONTACT INFORMATION INSTRUCTIONS

An “**Applicant**” is any person, firm, partnership, association, joint venture, corporation or any entity, combination of entities or consortium who seeks approval of a city permit or other Project entitlement for the use of property. The **Applicant** shall be the primary billing contact for all processing and development fees associated with the application. The **Applicant** may additionally identify an “**Authorized Agent**.” An **Authorized Agent** is any person, firm, partnership, association, joint venture, corporation or any entity, combination of entities or consortium authorized by the **Applicant** to represent and act on behalf of the **Applicant**. If identified in this application, the **Authorized Agent** shall receive all written correspondence from the City regarding the application and any hearings or proceedings scheduled before the Planning Commission, City Council or other appointive City Boards and Commissions, but shall not be responsible for the payment of development or processing fees. The **Applicant** shall receive all billing invoices for the project, and under the “Conditions” set forth below, shall be liable for the payment of all development and processing fees associated with the application.

The **Property Owner** of property means a person, persons or corporation holding fee title to the real property within the City as shown on the most recent assessor’s roll in the County of Napa upon which the Project is proposed. **Property Owner** and **Applicant** may be the same person or legal entity or may be different. For example, in the case of a person or entity holding an option on the land, or other contractual relationship with the property owner, the fee owner(s) of the property would be the **Property Owner**, and the person or entity seeking the approvals or permits and holding an option to purchase the property would be the **Applicant**. If **Applicant** and **Property Owner** are the same person or entity, please enter “Same as Applicant” in the area provided for **Property Owner** information. If **Applicant** and **Property Owner** are different, all **Property Owners** must sign on the following page to authorize the **Applicant** to file an Application for the City permit or Project entitlement on his or her property.

SUBMITTAL REQUIREMENTS

This form must be submitted to the Planning Division with the materials identified in the **Submittal Requirements** handout(s) for the appropriate City permit or Project entitlement. If your application requires multiple permits or entitlements, submit the number of plans sets for the permit or entitlement that requires the largest number of plans sets.
