*P3a. Description:  
   (Describe resource and its major elements. Include design, materials, condition, alterations, size, setting, and boundaries.)
   403 1st Street is located on a rectangular lot on the southwest corner of 1st and Juarez streets. Built circa 1895, 403 1st Street is a
   1-story over raised basement, wood frame, single-family residence designed in the Queen Anne Cottage style. The building is
   rectangular in plan, clad in wood bevel siding, and capped by a hip roof. The foundation is concrete. The primary facade faces
   north and features a projecting structural bay capped by a pedimented gable on the west, and a recessed entry porch on the east.
   The porch is accessed by wood steps flanked by wood railings and features turned wood scrolled brackets at the top. The primary entrance is a fully-glazed, wood door with wide, molded wood trim and hood. Typical fenestration consists of one-over-one, double-hung, wood-sash windows with flat board trim and molded hoods. Architectural features include a wood water
   table, corner boards, a shallow angled bay window on the east facade, and an enclosed rear porch addition. The roofline includes
   a plain frieze, shallow boxed eaves, and diamond fishscale shingles in the gable end. An attic window is also located in the gable
   end. A detached gable-roofed garage, clad with corrugated metal, is located at the rear of the lot. The building appears to be in
   good condition and is nearly identical in design to the two neighboring houses to the west, 411 and 419 1st Street.
