

## Napa's Tree Heritage

There is probably nothing in our urban environment that reminds us more of our natural heritage than the trees growing around our homes, offices, streets, and parks. These trees are more than a backdrop to our busy lives. They remind us of important events in the history of our city, neighborhood, and family. The loss of an old tree may be like the loss of an old friend. It is proper to raise our children with appreciation of their natural world, as trees continue to disappear.

'Help us to remain linked to the past by providing inspiration for the future.'

THE CITY OF NAPA TREE ADVISORY  
COMMISSION

Napa  
Registry of  
Significant  
Trees

## What is a Significant Tree?

A Significant Tree is a prominent tree that is of special importance to the community of Napa and is in at least one of the following categories:

- Historic significance associated with a person, place, or event.
- Rare or unique horticultural specimen
- High public visibility.
- Extraordinary beauty due to symmetry, form, color, or other special qualities.
- In an ecosystem especially valuable for natural habitat.
- A tree native to the Napa Valley.

## Why Recognize Significant Trees?

Why would a landowner want to recognize a tree via this proclamation?

By this recognition, landowners may take pride in 'Napa's Tree Heritage' by preserving trees that inspire, offer beauty, act as screens, provide cooling shade and wildlife habitat, increase property value, enhance community prestige, reduce pollution, and grow a bit of history for future generations.

## How a Tree Becomes Registered

The significant tree nomination form must first be submitted in order for a tree to be nominated. The tree is then considered for such status by the Napa City Council. Once designated, a significant tree is recorded on the property deed.

A Significant Tree can only be removed if a permit is obtained from the Tree Advisory Commission.

A permit can only be acquired if the tree meets certain criteria as outlined in the Napa Municipal Code, such as hazard or impedence of any permitted use of property.

**Mail or Fax Application to:**  
Parks & Recreation Services Department  
1500 Jefferson St.  
Napa, CA 94559  
Phone (707) 257-9529  
Fax # (707) 257-9532

**(No Fee Application)**

## **APPLICATION FOR NOMINATION OF SIGNIFICANT TREE**

**Pursuant to City of Napa Municipal Code 12.45.030**
