CONTINUED ON PAGE 2

The **Applicant** shall be the primary billing contact for all processing and development fees associated with the application.

The “**Property Owner**” of property means a person, persons or corporation holding fee title to the real property within the City as shown on the most recent assessor’s roll in the County of Napa upon which the Project is proposed. **Property Owner** and **Applicant** may be the same person or legal entity, or may be different. For example, in the case of a person or entity holding an option on the land, or other contractual relationship with the property owner, the fee owner(s) of the property would be the **Property Owner**, and the person or entity seeking the approvals or permits and holding an option to purchase the property would be the **Applicant**. If **Applicant** and **Property Owner** are the same person or entity, please enter “*Same as Applicant*” in the area provided for **Property Owner** information. In the event that **Applicant** and **Property Owner** are different, all **Property Owners** must sign on the following page to authorize the **Applicant** to file an Application for the City permit or Project entitlement on his or her property.
