

Fire Department promotes blood drive

Monday July 13, 2009

The City of Napa Fire Department and the Blood Centers of the Pacific team up for a blood donation event on Tuesday July 28, 2009, from 10am until 2pm. Donate blood at Fire Station #1, 930 Seminary Street in Napa. The need for blood increases during the summer months. A donation may mean the difference between life and death for someone in need. Visit the United Blood Services website at <https://www.bloodhero.com/index.cfm?group=op&expand=316543&zc=94559> to register for a convenient time to drop by and donate. Drop in donors also will be accommodated.
