Amplified Noise Permit

In order to limit the number of police calls for service regarding noise complaints, the Napa Police Department will not authorize an amplified Noise Permit for a residential address later than 9pm.

Commercial properties or halls, requesting an Amplified Noise Permit, will be granted up to 11pm, depending on the location as it relates to residential neighborhoods.

All applications are screened for prior police response. Additional time restriction may be made at the discretion of the Napa Police Department based on this information. In addition, time restrictions may also be made based on the day of the week and or other circumstances, which given historical information, would most likely cause a police response.

Once your permit is approved, you will receive a call or email advising you that your permit is ready for pick up at the front counter of the Napa Police Department.

If you're submitting an application on Friday, for an event the same weekend, request to speak to the on duty patrol sergeant.

If you have any questions please contact Lt. Chase Haag at (707) 257-9376 or chaag@cityofnapa.org.

Thank you,

Lt. Haag
