

Neighborhood Traffic Calming Program Community Workshop

For the purpose of the community meetings, the City has been divided up into five geographic areas. A series of three virtual meetings will be held for each of the five geographic areas. This has been done to help focus community participation and consensus among neighborhoods.

However, community members can attend any of the meetings and are able to speak about traffic concerns throughout the City at all meetings.

The first set of virtual community workshop meetings are anticipated to be scheduled on the following dates:

Time: 5:30 PM - 7:00 PM

Area 1 Central Napa: November 16

Area 2 Southeast Napa: November 17

Area 3 Northeast Napa: November 29

Area 4 Northwest Napa: November 30

Area 5 Southwest Napa: December 1
