EXHIBIT A: SALARY TABLE
MEMORANDUM OF UNDERSTANDING
Between and For
THE CITY OF NAPA
And
NAPA POLICE OFFICERS’ ASSOCIATION

July 1, 2012 through June 30, 2014

This Memorandum of Understanding (MOU) is entered into pursuant to the Meyers-Milius-Brown Act (California Government Code Section 3500 et seq.), the City Charter of the City of Napa, and applicable ordinances and resolutions of the City of Napa, by and between the City of Napa (City) and the Napa Police Officers’ Association (NPOA). As a result of meet and confer sessions, the City and NPOA have agreed to the following:

Section 1. Recognition

The City recognizes NPOA as the certified employee organization representing the following classes of employees: Police Officer and Police Sergeant.

Section 2. Term

The term of this MOU shall be July 1, 2012 through June 30, 2014.

Section 3. Salary

3.1 During the term of the MOU no cost-of-living adjustments shall be made.

3.2 It is City’s intent to maintain salaries and benefits at a level that attracts and retains quality employees, and the parties agree that surveys of the salaries and benefits of police officers and sergeants performing comparable work for comparable agencies provide information useful in ensuring that the City continues to meet this goal. Any surveys performed by the parties will be informational only and will be used to inform future salary negotiations to keep salaries and benefits competitive. Historically, the survey universe included the following cities: Fairfield, Hayward, Livermore-Pleasanton, Newark, Petaluma, Richmond, Santa Rosa, Vacaville, and Vallejo. By no later than December 31, 2013, the parties will meet and discuss survey agencies and parameters, to ensure that changes in demographics and financial conditions are recognized in the selection of rational survey universe.

3.3 Salary tables are attached in Exhibit A. The term of the "A" step shall be six (6) months. The term of the remaining steps shall be one (1) year.

3.4 In consideration for concessions agreed to in this MOU, in fiscal year 2012/13 and fiscal year 2013/14 members will receive 32 hours paid leave hours in a paid leave bank. The paid leave bank hours have no cash value, and any hours not taken off by June 30 in each fiscal year shall
be forfeited by the member. Employees will schedule paid time off under the provisions used for scheduling earned vacation. It is the responsibility of the employee and his or her supervisor to schedule the time off, with the intent to minimize disruption of operations and City services, and use of this paid time off may not result in additional overtime expenditures.

Section 4. Shift Differential

4.1 Shift differential shall be paid for hours worked on swing shift and grave shift, as set forth below in Section 4.2. For the purpose of receiving shift differential, the definition of shifts shall be:

Swing shift: Any shift that starts between 1100 and 1759 hours
Grave shift: Any shift that starts between 1800 and 0359 hours

If a PTO's regularly assigned hours are adjusted for training of new officers, they shall maintain their current shift differential (if any).

4.2 Effective October 1, 2010 through June 30, 2011, shift differential pay shall be paid as follows:

Swing shift: Three percent (3.0%) of monthly base salary
Grave shift: Seven percent (7.0%) of monthly base salary

Effective July 1, 2011, shift differential pay shall be paid as follows:

Swing shift: Three percent (3.0%) of monthly base salary
Grave shift: Six percent (6.0%) of monthly base salary

4.3 Shift Differential Pay is considered special compensation earnable under Government Code Section 20636 and California Code of Regulations Section 571(a)(4).

Section 5. Shift Changes

City agrees to post changes in shift at least thirty (30) days in advance, except in emergencies. This Section shall not be utilized to avoid the payment of overtime or call back premiums or to prohibit schedule changes necessary for training purposes.

Any changes to overall shift configuration (as identified in Section 15.1) shall be identified at least four months prior to implementation date. This section does not prohibit the City from making shift configuration changes when good cause exists or in emergency situations.

Section 6. Specialty Pay

13.1.2 Continuous full-time service with the City will be counted for vacation accrual.

13.2 The maximum annual carryover of accrued vacation will be two hundred forty-eight (248) hours with an additional forty (40) hours for special purposes upon the approval of the City Manager.

13.2.1 Members may accrue vacation hours in excess of the maximum vacation carryover during a calendar year. Failure to use (or assign) the vacation hours in excess of the maximum vacation carryover will cause those hours to be deleted and the maximum vacation carryover will be enforced.

13.2.1.1 **Catastrophic Leave Bank.** Hours in excess of the maximum vacation carryover not taken as vacation in the year they are accrued may be assigned to the Catastrophic Leave Bank as outlined in the City's "Leave Accrual Policy for Catastrophic Illness or Injury." **Section 14. Promotions**

Upon any promotion in rank, the City agrees to concurrently adjust the salary of the promoted member by at least five percent (5%).
Section 15. Hours of Work and Overtime

15.1 The City has elected a twenty-eight (28) day cycle under the Fair Labor Standards Act.

15.1.1 Members assigned to a "4-10" shift shall work four (4) consecutive ten (10) hour shifts scheduled within ten (10) hours followed by three (3) consecutive days of rest.

15.1.2 Members assigned to "5-8" shift shall work five (5) consecutive eight (8) hour shifts scheduled within eight (8) hours followed by two (2) consecutive days of rest.

15.1.3 Members assigned to a "9-80" shift shall work, during two consecutive weeks, five consecutive nine (9) hour shifts scheduled within nine (9) hours followed by two (2) consecutive days of rest followed, in the second week, by three (3) consecutive nine (9) hours shifts and one (1) eight (8) hour shift scheduled with nine (9) and eight (8) hours respectively followed by three (3) consecutive days of rest.

15.1.4 Members assigned to the "12½" hour shift shall work three (3) consecutive twelve and one-half (12½) hour shifts scheduled within twelve and one-half (12½) hours followed by four (4) consecutive days of rest.

Members assigned to this work schedule are required to work ten (10) additional hours during each twenty-eight (28) day work cycle in the form of an additional day of work. Such additional day of work may include training, special duty, patrol relief or as otherwise assigned, or the member may, with a supervisor’s approval, utilize ten (10) hours of compensatory time off (CTO) and/or vacation. The additional day of work will be scheduled either at the beginning or end of the member’s four (4) days off, whenever possible.

During each daily twelve and one-half (12½) hour shift, each member shall be permitted two (2) paid rest periods of up to twenty (20) minutes and one (1) paid meal period of up to forty-five (45) minutes, provided the member’s duties permit such breaks.

15.1.5 Members assigned the “12” hour shift shall work three (3) consecutive days followed by four (4) consecutive days of rest, and then work four (4) consecutive days followed by three (3) consecutive days of rest. One of the scheduled work days during each two week cycle shall be prescheduled as an eight (8) hour work day; all other work days will be twelve (12) hours. The eight (8) hour work day shall be designated for each employee working the 12 hour shift at the beginning of each shift bid session.

During each daily twelve (12) hour shift, each member shall be permitted two (2) paid rest periods of up to twenty (20) minutes and one (1) paid meal break of up to forty-five minutes, provided the member’s duties permit such breaks.
15.1.6 To ensure that members of the patrol bureau are not fatigued when beginning work, a total of six (6) hours of off-duty time must have occurred before their scheduled return to work, except during times of emergency. This off-duty time does not have to be continuous. Previous duty means any overtime assignment, recall assignment, court time and any other assignment when the member is performing work for the City.

15.2 Except as provided herein, all hours worked in excess of one-hundred-sixty (160) hours in the 28-day cycle shall be compensated in cash at one and one-half (1 1/2) times the member’s regular hourly rate or in compensatory time off at the rate of one and one-half (1 1/2) hours of CTO for each hour worked as provided in Section 16 below. The City shall not be required to pay overtime or CTO when such excess time worked is due to schedule changes to accommodate training activities or due to shift changes unless the City would be required to pay overtime in accordance with its twenty-eight (28) day cycle as required by the Fair Labor Standards Act.

15.3 Overtime will be paid in each pay period, and paid time off shall count towards the accumulation of hours worked for purposes of computing overtime. Training, meetings and other City-ordered time shall be considered as hours worked. The parties acknowledge that instances may occur in which a member receives overtime pay in a pay period and subsequently does not exceed 160 hours in the 28-day cycle. In that event, the overtime payment shall be reconciled within the next two pay periods. An example of this would be when a member receives time-off without pay, by order of the Police Chief.

Section 16. Compensatory Time Off

Compensatory time off (CTO) in lieu of cash overtime payment shall be accrued subject to the following provisions:

16.1 CTO must be elected at the time of accrual. A maximum of one hundred (100) hours of CTO may be accumulated at any given time, and must be used prior to December 1 of any year, provided however, that a member may carry over up to fifty (50) hours of accumulated time into the next year. The balance of accumulated time shall be paid off.

16.2 The member will be afforded two (2) opportunities per year to cash out accumulated compensatory time, on June 1 and December 1. These deadlines may be waived by the City in cases where the member has been unable to receive approval for taking such time off. In addition, when the member has a total of less than one day’s time accrued, no cash-outs shall apply.

16.3 The Police Chief, or his/her designee, may increase the maximum compensatory time for a member on a case-by-case basis.

16.4 Training and meeting time shall be compensable in whatever form designated at the sole discretion of the City, subject to the provisions of the Fair Labor Standards Act.
16.5 CTO shall not be approved if the result will be the interference with minimum staffing levels. CTO requests will be subject to mutual agreement between the City and the member.

Section 17. Time Off to Attend Annual Service Awards and Evening of Honor

Employees who are scheduled to work on the night of the Annual Service Awards Dinner and who will be receiving a Service Award shall be granted four (4) hours paid release time to attend the dinner, and upon request prior to the dinner will be allowed to take off the remainder of their shift using accrued paid leave.

If a voluntary replacement cannot be located, the employee will not be allowed the time off.

Section 18. Health Services Contributions

18.1 Medical Insurance. The City agrees to offer the PERS health benefits program. The City also agrees to pay the statutory Public Employees Medical and Hospital Care Act (PEMHC) minimum (determined annually by CalPERS) per month towards the cost of health insurance available through PERS for each active member and an amount for each retiree as determined each year based on the "unequal contribution" method as prescribed by PEMHCA. For calendar year 2012, the PEMHCA minimum is $84. The member agrees that he/she is liable for the difference between the total cost of the health plan he/she chooses, and the statutory PEMHCA minimum.

18.2 Effective upon ratification, the City will contribute the amounts stated below into an IRC section 125 cafeteria plan, which members may use towards the payment of medical premiums:

Effective upon ratification through June 30, 2013, the City will contribute into an IRC section 125 cafeteria plan the amounts described below:

</tbody>
</table>

The City will contribute up to the dollar amount for the full cost of dental coverage.

18.5 The City shall continue to contribute premiums for life insurance coverage for current members at a coverage level of $50,000. The member shall have the option to purchase, solely at the member’s expense, additional life insurance through the City’s insurance broker, up to a maximum of $250,000.

18.6 In lieu of coverage under CalPERS, a member who provides proof of coverage comparable to that provided by the City (through a spouse or other source) will be paid a health-in-lieu payment by the City of five hundred dollars ($500.00) per month. Such payment will be either in cash or into the member’s deferred compensation plan, at the member’s option. The member must complete a form provided by the City’s Finance Department. Re-enrollment in CalPERS other than during the annual open enrollment period will be permitted only in the event of a significant personal event (i.e., death of a spouse divorce, loss of spousal coverage, etc.), and will be subject to the requirements of CalPERS.

18.7 As part of its shared interest in exploring options to reduce the cost of City-provided Health Benefits and Welfare Benefits, NPOA agrees to participate in a multi-unit Labor-Management Committee that will explore options and discuss Health Benefits issues through the term of this Agreement. The Committee may make recommendations to the parties regarding appropriate modifications to the current benefits provided by the City.

Section 19. Deferred Compensation

A Deferred Compensation Plan is available to all members of NPOA. If a 401K Plan and Administrator are agreed upon by the City, at the City’s option, the 401K Plan will additionally be offered to all members of NPOA.

Section 20. Retirement

20.1 For members hired on or before January 7, 2012, the City’s contract with PERS provides for the “three percent (3%) at age 50” retirement plan as specified in Government Code section 21362.2. This retirement plan includes the single highest year retirement benefit as provided by section 20042 of the Government Code. This plan also includes increased non-job related disability benefits providing for thirty percent (30%) of final compensation upon five (5) years of service with an improvement of one percent (1%) for each additional year to a maximum of fifty percent (50%) as provided for under Government Code section 21427.
20.2 For members hired after January 7, 2012, the City will contract with PERS to provide the "three-perct percent (3%) at age 55" retirement plan as specified in Government Code section 21363.1, with a three-year average on final compensation as provided by Government Code section 20037.

20.3 In addition to the retirement benefits set forth above, members are entitled to retirement credit for military service pursuant to Government Code section 21024 and to convert unused accumulated sick leave to service credit as provided for under Government Code section 20965.

20.4 The City's contract with PERS provides for the Military Service Credit as provided for under Government Code section 20996.

20.5 The City provides the benefit known as Fourth Level 1959 Survivor Benefit pursuant to Government Code section 21574. The members agree to pay two dollars ($2.00) per month for this benefit.

20.6 Effective December 1, 2004 and through the term of this MOU, if the City's PERS contribution rate exceeds fourteen percent (14.00%), the member and City shall share equally such excess rate, up to nineteen percent (19.00%). The member will pay fifty percent (50%) of such excess cost; provided, however, that the member maximum contribution under this formula shall not exceed two and one-half percent (2.5%) in any given year. The City will pay the full cost of the Employer rate up to fourteen percent (14.00%) and over nineteen percent (19.00%). PERS cost share shall be paid through IRC 414(h)(2).

Effective upon ratification, members shall contribute an additional three percent (3%) to the City's PERS contribution.

Section 21. Purchase of Firearm at Retirement

Upon retiring with an "Honorable" or "Medical" retirement from the Napa Police Department, and obtaining a Retirement Police ID from the Chief of Police that allows the retiree to carry a concealed weapon in accordance with all applicable Federal and State Laws, the retired member shall be able to purchase the firearm that was issued to him or her from the City of Napa at the fair market value at the time of their retirement.

The retiree shall be responsible to pay for any and all charges relating to the transfer of the firearm from the City of Napa to the retiree. The transfer of the firearm shall take place through a licensed firearms dealer.
Section 22. Sick Leave

22.2 Sick Leave Conversion Benefit. Members who were employed as of June 30, 2012 and whose combined age-plus-years-of-service with the City of Napa on July 1, 2012 was equal to or greater than 61 are eligible for the sick leave conversion benefit described below. In order for a member to qualify for the sick leave conversion benefit described below, the member must take a service or disability retirement from the City and actually draw a PERS pension within ninety (90) days of separation from the City. If the retired employee ceases drawing a pension or re-enters the work force and is employed by another PERS agency for more than 960 hours per year, the sick leave conversion benefit ceases and the employee waives the right to the benefit. Such waiver shall be irrevocable.

Members who were employed as of June 30, 2012 and whose combined age-plus-years-of-service with the City of Napa on July 1, 2012 was equal to or greater than 61 shall be permitted to convert up to the equivalent of one hundred eighty (180) days of unused sick leave into single-party health insurance at the rate of one (1) day of pay for one (1) month’s premium, based upon a forty (40) hour week, so long as the amount contributed does not exceed actual premiums, provided however, that this benefit shall not be given for sick leave days used for the retirement credit provided for under Section 20.3.

Members who were employed as of June 30, 2012 and whose combined age-plus-years-of-service with the City of Napa on July 1, 2012 was less than 61; and members employed on or after July 1, 2012 are not eligible for the sick leave conversion benefit.

22.3 Notwithstanding Section 22.2, a member who separates from City service before becoming eligible to draw a PERS pension may receive the sick leave conversion benefit described in Section 22.2 if the member: (a) was employed as of June 30, 2012; (b) had combined age-plus-years-of-service with the City of Napa on July 1, 2012 equal to or greater than 61; (c) separates from City service with at least thirty (30) years of PERS service; (d) does not accept employment with another PERS agency for more than 960 hours per year; and (e) begins to draw a PERS pension within ninety (90) days of becoming eligible. The member will be eligible to receive the sick leave conversion benefit at the time he or she begins to draw a PERS pension. Once a member becomes eligible to receive the sick leave conversion benefit described in Section 22.2, all restrictions in Section 22.2 will apply.

22.4 Eligible members who plan to convert unused sick leave into single-party health insurance shall make an election at the time of retirement. For any period of time that a retiree is not enrolled in the PERS health benefit program, for each month not enrolled, the unused day of sick leave shall be
converted to a credit which is equal to the current dollar value of the monthly health insurance premium at the single party rate. The monthly credit shall be banked. Upon the retiree's enrollment or re-enrollment in the PERS health benefit program, the retiree shall first use any remaining unbanked and unconverted sick leave for health insurance premiums. Once all sick leave has been converted and used, the retiree shall then exhaust the banked credit for health insurance premiums. The banked credits are not transferable and may only be used for the health insurance premiums of former members/current retirees.

22.5 Existing sick leave may be converted to vacation on a ratio of three (3) sick leave days to one (1) vacation day, with a maximum of five (5) new vacation days per calendar year. Members wishing to exercise this option must so notify the Finance Department during the month of December. Conversion shall then become effective January 1.

22.6 \textbf{PORAC Retiree Medical Trust.} NPOA shall join the PORAC Retiree Medical Trust (Trust), the sole purpose of which is to provide funding for medical expenses and health insurance costs for eligible retirees, or qualified family members of eligible retirees as established by the Trust. Participation in the Trust shall be the complete and sole responsibility of NPOA. The City shall not have any involvement in the Trust's design, its administration or in the benefits paid, nor shall the City have any responsibility for any actions of the Trust or its trustees or of NPOA with respect to the Trust. NPOA will indemnify, defend and hold harmless the City, its agents, officers, and employees, against any and all claims or legal proceedings regarding the operation of the Trust.

Effective upon ratification, the City shall contribute $100 per month on behalf of each member toward the Trust. Effective July 1, 2013, the City shall contribute $150 per month on behalf of each member toward the Trust.

\textbf{Section 23. Bereavement Leave.}

In the event of a death in the immediate family of a member, the member shall, upon request, be granted such time off with pay as is necessary to make arrangements for the funeral and attend same, not to exceed three (3) regularly scheduled work days. Such bereavement leave shall not be deducted from any accrued leaves including vacation, CTO, and/or sick leave. For the purpose of this provision, the immediate family shall be restricted to father, mother, brother, sister, spouse, registered domestic partner, child, mother-in-law, father-in-law, grandparents, grandchildren, and stepchildren where there is a child-rearing relationship. At the request of the City, the member will furnish a death certificate or newspaper announcement and proof of relationship. Provision is in-lieu of Civil Service Rule 9, Part A, 3(C) - "Approved Sick Leave."

\textbf{Section 24. Residency}

Each member shall reside up to sixty (60) minutes driving time, observing existing traffic laws and under normal driving conditions, of the Police Department from his/her residence.
Section 25. Unexplained Absence

Unexplained absence for three (3) days or more of any officer or member of the Department shall be deemed, and held to be, a resignation by such officer or member and accepted as such by the Police Chief.

Section 26. Issued Equipment

26.1 Shoulder Patches. The City shall provide shoulder patches through the Police Department facility rather than through Central Stores.

26.2 Recording Devices. The City agrees to provide upon request recording devices and replacement batteries to all members, to be used in the course of their employment.

26.3 Safety Equipment. The City agrees to provide all members with all safety equipment which it is required by law to provide.

26.4 Holsters and Cuff Cases. Non-uniform holsters and cuff cases shall be issued to members assigned to investigation duties. Such equipment shall remain the property of the City of Napa, and shall be returned to the City upon leaving the Investigations Unit.

26.5 Body Armor. Body armor shall be issued and replaced as follows:

1. The City agrees to issue body armor to all members and shall repair or replace issued body armor in conformance with industry standards and manufacturer's recommendations, provided that armor in regular use over five (5) years old shall be replaced upon request of the member. Armor not in regular use by the member shall be replaced at the request of the member after it has received the equivalent of five (5) years use.

2. The City shall issue body armor that is in conformance with National Institute of Justice (NIJ) rating as adequate for normal duty use (no less than level 2A).

3. Those sworn members who are assigned to the "Uniformed Bureau" of the department are highly encouraged to wear their body armor. Wearing of body armor is mandatory when ordered by a member in a supervising capacity. Depending upon a situational occurrence or assignment, a supervising member will have the authority to decide when the wearing of body armor is mandatory. Whenever a member is not wearing body armor, the member will have the body armor immediately available in the event the member is assigned and ordered to wear it.

4. Issued body armor which is damaged through improper care or use shall be subject to repair or replacement at the member's expense.
The City will not permanently issue used body armor without the consent of NPOA.

Section 27. Dues Deduction

The City agrees to continue to provide a combined deduction for NPOA regular dues and premiums for NPOA-sponsored insurance from the salary of each member who shall have authorized such deduction in writing. It is understood and agreed by both the City and NPOA that NPOA accepts responsibility for maintaining such written, signed authorizations on file at all times, and that the City has the right to review all authorizations on file at any time. Such deductions shall be made on a monthly basis and remitted to NPOA monthly. NPOA will submit a member list each month, indicating the current and proposed total deduction authorized for each member. The City will audit such list and will provide a list of the amount deducted. Changes in deductions by NPOA will be kept to a minimum.

Section 28. Time Off for NPOA Business

28.1 General Release Time

NPOA Representatives shall be allowed reasonable release time to engage in meet and confer discussions with representatives from the City. The City will not reimburse NPOA representatives for time spent bargaining outside of normal work hours; however, NPOA representatives may earn Adjusted Time Off (ATO) and utilize it within the 28-day work cycle of when the release occurs, or as early as possible within the next 28-day cycle, so long as the use of ATO does not require backfill overtime.

28.2 NPOA Leave Bank

The City agrees to establish and maintain an NPOA Leave Bank (Leave Bank) for the purposes of allowing the officers and members of the NPOA, as designated by the NPOA President, time off with pay (Union Leave) for the purposes of conducting union business. The Leave Bank shall cover all officers and members and is limited to 350 total hours per year.

Union Business shall mean business related to employer-employee relations involving matters solely pertaining to the representation of the bargaining unit. Examples of covered events include:

1. Personnel/Labor Relations and Practices training such as PORAC;
2. Grievances and disciplinary actions;
3. Conventions and seminars; and
4. Hearings as allowed under Civil Service Rules.

Leave Bank and Union Leave shall be implemented using the following guidelines:

1. As described in Section 13.2.1.2, effective January 1, 2011, the first five (5) hours of any end-of-the-year excess vacation balances over two hundred forty-eight (248) hours shall be donated to the Leave Bank. No other end-of-year excess vacation balance
may be donated, but members may contribute other vested leave time (vacation and CTO) in full-hour increments to the Leave Bank.

2. Leave requests must be submitted for approval pursuant to the Department vacation policy.

3. Leave Bank hours shall be withdrawn on an hour-for-hour basis.

4. Any portion of the Leave Bank that is unused in any year shall be carried over to the following year.

Section 29. Management Rights

Subject only to the limitations set forth in this MOU, City's right to direct the work force shall be unimpaired. This right shall include, but is not limited to the following:

To manage and direct its business and personnel; to manage, control, and determine the mission of its departments, commissions, or boards, building facilities and operations; to create, change, combine or abolish jobs, department's services, and facilities in whole or in part; relieve its employees from duty or to reduce or adjust such duties because of lack of work or for other reasons considered by City to be legitimate; to direct the work force; to set standards of service; to maintain the efficiency of City operations; to increase or decrease the work force and determine the number of employees needed; to hire, train, transfer, and promote employees; to take disciplinary actions; to determine the procedures and standards of selection for employment and promotion; to establish work standards, schedules of operations and reasonable work load; to specify or assign work requirements and overtime; to schedule working hours and shifts; to adopt rules of conduct and penalties for violation, thereof; to determine the content of job specifications and classifications; to determine the type and scope of work to be performed and the service to be provided; to determine the methods, processes and means of providing services; to take all necessary actions to carry out its mission in emergencies; and to make reasonable rules and regulations pertaining to members consistent with this MOU.

The exercise of such rights by City shall not preclude NPOA from communicating with City about consequences that the decisions of these matters may have on wages, hours, and other terms and conditions of employment. The exercise of such rights by the City, not subject to other sections of this MOU, shall not be grievable.

Section 30. Grievance Procedure

30.1 Definition: A grievance is any dispute which involves the interpretation, application, claimed violation, or claimed noncompliance with any provisions of this MOU. Disputes concerning disciplinary action shall be processed in accordance with the rules of the Civil Service Commission.

30.2 Procedure. Grievances shall be processed in the following manner:
30.2.1 The grievance shall be presented either by the member or by an authorized NPOA representative to the designated supervisor of the member within twenty-one (21) calendar days of the date the member reasonably should have learned of its occurrence.

The designated supervisor shall have twenty-one (21) calendar days from the date of receipt of the grievance in which to investigate and orally respond. If the grievance is not satisfactorily adjusted within this period, the grievance may be presented in writing either by the member or an authorized NPOA representative to the member's Bureau Lieutenant, or a designated representative. If the Bureau Lieutenant is the member's supervisor, the grievance shall be presented initially to the Bureau Lieutenant.

30.2.2 The Bureau Lieutenant shall have twenty-one (21) calendar days from the date of receipt of the written grievance in which to investigate and make a recommendation to the Captain. The Captain shall respond to the written grievance within twenty-one (21) calendar days from the date of recommendation of the Bureau Lieutenant. If the grievance is not satisfactorily adjusted within this period, the grievance may be presented in writing either by the member or by an authorized NPOA representative to the Police Chief. The Police Chief shall respond to the written grievance within twenty-one (21) calendar days from the date of recommendation of the Captain. If the grievance is not satisfactorily adjusted within this period, the grievance may be presented in writing either by the member or by an authorized NPOA representative to the City Manager or to such representative as the City Manager may designate.

The grievant will have up to twenty-one (21) calendar days to appeal a response to the grievance at each step in the process set forth in Sections (1) and (2) above.

30.2.3 If the parties are unable, within fourteen (14) calendar days after presentation to the City Manager, to reach a mutually satisfactory accord on any grievance, the NPOA may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the NPOA and the City Manager. In the event the NPOA and the City Manager are unable to agree on an impartial arbitrator, the parties jointly shall immediately request a list of five (5) impartial arbitrators from the State Mediation and Conciliation Service. When such list is received, the parties shall meet within seven (7) calendar days to select the arbitrator as follows: the parties shall alternately strike the name of one arbitrator from the list until the name of one arbitrator remains. That person shall serve as the arbitrator. The party to strike the first name shall be determined by a toss of a coin.

Except as provided below, the fees and expenses of the arbitrator, and a court reporter if mutually agreed upon, shall be shared equally by the NPOA and the City. Each party however shall bear the cost of its own presentation including, but not limited to, preparation and post hearing briefs, if any. The decision of the impartial arbitrator shall be binding on the City, NPOA and the member(s).
30.3 **Scope of Procedure.** No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in the unit represented by NPOA and unless such dispute falls within the definition of a grievance as set forth in Section 30.1 above.

30.4 **Change to Memorandum.** Proposals to add or change this MOU or written agreement or addenda supplementary hereto shall not be subject to this grievance procedure, and no proposal to modify, amend or terminate this MOU nor any matter or subject arising out of or in connection with such a proposal, may be referred to this Section. An arbitrator shall not have the power to amend or modify this MOU or written agreements or addenda supplementary hereto or to establish any new terms and conditions of employment.

30.5 **Compensation Complaints.** All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager. No adjustment shall be retroactive for more than sixty (60) calendar days from the date upon which the complaint was filed.

30.6 **Disciplinary Appeals.** Notwithstanding the definition of a grievance in 30.1, NPOA may also submit appeals of final Notices of Disciplinary Action for dismissal, demotion, suspension or salary reduction to arbitration. NPOA must notify the City Manager in writing within ten (10) business days after the member’s receipt of the final Notice of Disciplinary Action that it intends to move the disciplinary appeal to arbitration. NPOA’s notification will include a written statement of the appeal setting forth a clear and concise statement of the reasons for the appeal, and a signed waiver from the affected member indicating that he/she is electing to have the disciplinary appeal settled through binding arbitration in lieu of any alternative procedures described in Section 30.6.1 below, including an appeal and/or hearing before the Civil Service Commission.

30.6.1 **Alternative Procedures.** Notwithstanding the arbitration procedure set forth above, for appeals of final disciplinary action a member may elect to utilize alternative hearing processes available pursuant to City Charter Section 76.1. A member electing such alternative procedures may not utilize the arbitrations procedure set forth in subsection 30.2.3 herein. Neither the member nor NPOA may elect such alternative procedures for non-disciplinary grievances.

30.7 **Reason for Appeal.** Whenever the member or an authorized NPOA representative shall appeal the grievance to the next level of this Grievance Procedure, the appeal shall contain a clear and concise statement why the answer provided at the previous level was not satisfactory to resolve the grievance. Whenever City management responds to a grievance, the response shall contain a clear and concise statement as to why the grievance is being denied, if that is the case.

30.8 **Time Limits.** The time limits contained herein may be waived or modified in writing by mutual agreement of the parties. In the event the member or NPOA fails to appeal a grievance within the prescribed time limits, the response by the City at the previous level shall be deemed to have
resolved the grievance. In the event the City fails to respond to a grievance within the prescribed time limits, the grievance shall be moved automatically to the next higher level.

Section 31. No Strike, No Lockout

During the term of this MOU, the City will not lock out any member of NPOA and no member of NPOA will engage in, cause, or encourage any strike, slow down, concerted refusal to work, or other interruption of the City's operation.

Section 32. Patrol Safety Staffing

During the term of this MOU, the City agrees to maintain staffing levels at the current level of patrol officer safety staffing. When meeting patrol officer safety staffing levels, it is the intent of the Department to try to avoid negatively impacting other bureaus. If additional patrol officers are needed, the Department will first attempt to have officers fill the staffing needs on a voluntary basis, followed by mandatory overtime, and finally directing officers assigned to other bureaus to fill in when necessary. Nothing in this section prevents the Department from temporarily assigning any officer to patrol to maintain patrol safety staffing.

Section 33. Napa Reserve Officer Program

The Department intends to establish a Reserve Officer Program to supplement policing services through a group of trained reserve police officers who will have peace officer powers pursuant to Penal Code sections 830.6 and 832.6. Reserve police officers will not be used in place of full-time regular NPOA members to maintain patrol officer safety staffing or any scheduled special event overtime. Reserve police officers may be used to supplement when additional staffing is needed or when any vacant special event overtime assignments exist less than 72 hours prior to the start time of the special event. Special event overtime assignments will be offered to Level I reserve police officers first, and if not filled, to Level II reserve police officers.

Section 34. Full Understanding

The parties agree that no provision of this MOU shall be changed without the mutual consent of the parties. The parties further agree that the City may change any matter not covered in this MOU, but within the scope of representation, so long as the City satisfies its legal requirements to meet and confer with NPOA prior to implementing such a change. The City does not intend to change any matter within the scope of representation unless there is a demonstrated operational or fiscal reason to do so.

Section 35. Separability

If any provision of this MOU should be held invalid or restrained by operation of law or by any court of competent jurisdiction, the remainder of this MOU shall not be affected thereby, and the parties
shall enter into negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

Section 36. Term of Agreement

36.1 The provisions of this MOU shall become effective upon a formal resolution of approval by the City Council of the City of Napa and execution by the Mayor and City Clerk thereof, and by execution by the representatives of NPOA. Upon such adoption, the provisions of this MOU shall supersede and control over conflicting or inconsistent City Ordinances, Resolution, Policies or Procedures.

36.2 This MOU shall remain in full force and effect through June 30, 2014. The parties shall use their best efforts to commence the meet and confer process between City and NPOA prior to March 31, 2014, with respect to a MOU contemplated to take effect July 1, 2014.

Section 37. Americans with Disabilities Act

The City and the NPOA recognize that the city has an obligation under the Americans With Disabilities Act (ADA) to meet with individual members who request reasonable accommodation in the workplace because of a disability. The NPOA will be advised of any proposed accommodation prior to implementation which is in potential conflict with this MOU or past practice or any way, hour or working condition. The NPOA will be afforded the opportunity to consult with the City about the impact of such accommodation(s).
