

Office: City of Napa, City Council

Name: Peter D. Mott

Occupation: Councilmember/Business Owner

Age: 58

Education & Occupation:

As a Councilmember and local business owner, I understand the consequences of the choices we make at City Hall. Over the last 12 years, I've worked to provide the leadership our city needs to prosper while maintaining our uniqueness, controlling growth and protecting our environment. My 35-year background as a business owner has provided a much-needed financial focus to the Council.

Over that time we've made a lot of progress in our community including: a significant increase in street and road resurfacing (over 80 miles), the building of Fire Stations 4 and 5 , the approval of over 1,600 affordable and market rate housing units, fully staffing our police department, opening five new parks, returning to a balanced budget and fully funded reserves, and approving a significant expansion of the Senior Center.

While much has been accomplished, more remains to be done. My focus will remain on the needs of local residents including creating more housing, alleviating traffic, and creating additional opportunities for youth. I hope you will grant me the opportunity to continue serving as your Councilmember. With your help, we will continue building a better future for the City of Napa. I ask for your vote.
