B.6 Progress Report

Goal: Promote self-sufficiency and asset development of families and individuals.

The Housing Authority’s Family Self Sufficiency (FSS) program currently has a remaining obligation to graduate 35 families/individuals. The FSS program currently has 41 families/individuals enrolled in the program. The Housing Authority submitted a funding application and was awarded $72,000 for an FSS Program Coordinator position for the calendar year 2018 and has applied for funding for the calendar year 2019.

Goal: Ensure equal opportunity in housing for all by ensuring equal opportunity and affirmatively furthering fair housing.

In the fiscal year ending June 30, 2018, the Housing Authority provided Fair Housing Napa Valley (FHNV) $50,000 in funding to provide fair housing assistance and landlord tenant counseling to tenants. FHNV also worked with mobile home organizations to maintain rents at a reasonable level.

Goal: Manage the PHA Section 8 Housing Choice Voucher Program in an efficient and effective manner, thereby qualifying on a continuing basis on the Section 8 Management Assessment Program (SEMAP) as a high performing PHA.

The Housing Authority received a High Performer designation for SEMAP for the fiscal year ending June 30, 2018.

Goal: Expand the range and quality of housing choices available to participants in the PHA tenant based assistance program.

The Housing Authority worked with the City of Napa to include language in regulatory agreements with new developments to require them to accept applications for new units from voucher holders. This was included in the Disposition and Development Agreement between the City and Satellite Affordable Housing Associates for the proposed Manzanita project. The Housing Authority provided non-profit Napa Valley Community Housing with $45,000 for the Home Share Match-Up Program, which matches housing providers with housing seekers. In November 2017, the Housing Authority launched a Section 8 Landlord Mitigation and Incentive Program. This program provides landlords with incentives to accept homeless and at-risk of homeless voucher holders. Participating landlords are eligible for up to $3,500 in mitigation funding for tenant-caused damages or unpaid tenant rent during the first three years of tenancy. Through this program, the Housing Authority contracted with Abode Services to provide homeless and at-risk of homeless voucher holders with housing location and on-going housing support.
Mission: Form effective partnerships with other agencies to maximize social and economic opportunities and availability of supportive services for participants in a non-discriminatory manner.

The Housing Authority continued to partner with other agencies to provide services for participants in the Family Self Sufficiency Program, the Family Unification Program and the Mainstream Program.

Mission: Utilize staff resources and available funds in a collaborative partnership with other governmental and community agencies to assist in achieving the stated goals in the City of Napa’s Consolidated Plan, including the development of new affordable housing, the improvement of existing housing stock occupied by lower income households, supporting the Continuum of Care for homeless, and providing first time homebuyer opportunities.

The Housing Authority actively worked in partnership with Satellite Affordable Housing Associates, the City of American Canyon, and the County of Napa to leverage funding for Valley View Senior Homes, a 70-units of new affordable rental housing project. Twenty-two of the units will be set-aside for veterans (including 17 for Veterans Affairs Supportive Housing (VASH) participants). The project will also include three units set aside for homeless persons referred through the County’s Coordinated Entry System. This project is currently under construction and should be ready for occupancy in February 2019. The Housing Authority also worked closely with non-profit housing developer Burbank Housing, the Gasser Foundation, the Napa Valley Community Foundation, the County, and the City on Stoddard West, a 50-unit affordable rental project which is currently under construction and is expected to be completed in the summer of 2019. Forty-nine of the units will be available for households earning no more than 60% of median. This project will include one unit for homeless referred through the County’s Coordinated Entry System.

The Housing Authority continued to administer the housing programs for each of the cities in Napa County. This included operating housing rehabilitation programs in four jurisdictions in Napa County during the fiscal year ending June 30, 2018. These programs provide low or no interest loans for low-income homeowners to make repairs to their homes. The Housing Authority also administered a first time homebuyer program for low-income first time homebuyers in one jurisdiction.

The Housing Authority continued to be an active participant in the Continuum of Care and to work closely with the County and nationally recognized consultants to make improvements to the community’s homeless shelter system.

Mission: Assuring the Section 8 Housing Choice Voucher Program-assisted housing is safe and of quality by requiring owners to maintain the housing to meet Housing Quality Standards.
All assisted units are inspected within HUD required timelines. Inspection files audited to verify timely inspections. Quality control inspections are done by a supervisor of recently inspected units. Inspectors are trained on HUD's housing quality standards.
B.7 Resident Advisory Board Comments

Housing Authority of the City of Napa
2019 Annual Plan

Resident Advisory Board Meeting
February 12, 2019

Board Members: Carol Hamilton, Johanna Moore, Maricela Pelayo

Comment 1: Is the Housing Authority doing outreach to get more landlords to participate in the Housing Choice Voucher program?

Staff Response: Yes, the contract the Housing Authority signed with Abode Services to do housing location for voucher holders and the landlord incentive program includes outreach to new and current landlords to increase the number of available units for voucher holders.

Comment 2: Great to see the continuation of the Family Self Sufficiency program, an excellent program, and the continued funding of the coordinator position.

Staff Response: Yes, the Housing Authority of the City of Napa believes strongly in the program and will continue to be supportive of it and we hope that HUD will continue to fund the program.

Comment 3: The new activities section shows continued work to increase the number of project-based vouchers.

Staff Response: Committing project-based vouchers helps developers build affordable housing and expands the availability of rental housing for low income households. With low vacancy rates in the community and rising rental prices it is imperative to create additional housing available to low income households.

Comment 4: Are there any new affordable housing projects in the works for veterans in the City of Napa.

Staff Response: Currently, there are no new affordable housing projects in the works specifically for veterans in the City of Napa. Satellite Affordable Housing Associates has just completed the Valley View Apartments in American Canyon which includes 17 project-based vouchers for veterans through the Housing Authority. Veterans will certainly be able to apply for units at the new affordable housing developments in the City of Napa upon completion.
B.7 Resident Advisory Board Comments

Comment 5: Good work for the continued achievement of high performer status on the Section 8 Management Assessment Program (SEMAP) with HUD.

Staff Response: Thank you goes to staff for their hard work. Comment acknowledged

HACN will provide all applicants notification of their protections and rights under VAWA at the time they receive their Housing Choice Voucher by giving them a copy of the Notice of Occupancy Rights under the Violence Against Women Act and in any notice of denial of assistance. The notice will explain the protections afforded under the law and inform applicants of HACN confidentiality requirements. HACN provides contact information for local victim advocacy groups or service providers. HUD-5382 form will also be provided with the notification.

C. NOTIFICATIONS TO OWNERS AND MANAGERS

HACN will inform property owners and managers of their screening and termination responsibilities related to VAWA. HACN will utilize any or all of the following means to notify owners of their VAWA responsibilities:

- As appropriate in day to day interactions with owners and managers.
- Inserts in HAP payments, 1099s, owner workshops, classes, orientations, and/or newsletters.
- Signs in the HACN lobby and/or mass mailings which include model VAWA certification forms.

D. EMERGENCY TRANSFERS

The HACN is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),
HACN allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of HACN to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security.

**Eligibility for Emergency Transfers**

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD’s regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: The tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

**Emergency Transfer Request Documentation**

To request an emergency transfer, the tenant shall notify HACN’s office and submit a written request for a transfer to HACN’s office. HACN will provide reasonable accommodations to this policy for individuals with disabilities. The tenant’s written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HACN’s program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant’s request for an emergency transfer.

**Confidentiality**

HACN will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HACN written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more
information about HACN’s responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

HACN cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HACN will, however, act as quickly as possible to reissue a Housing Choice Voucher to an eligible tenant, assisted under the Housing Choice Voucher program, who is a victim of domestic violence, dating violence, sexual assault, or stalking. HACN will not prohibit Voucher tenants from moving during the first year of their lease, or from moving more than once during a 12-month period. HACN will assist the tenant in identifying other landlords and housing providers who may have safe and available units to which the tenant could move.

Families assisted under project-based vouchers will not be required to notify the HACN before they leave a unit if they are leaving because a member of the family is the victim of a VAWA crime and the move is needed to protect the health and safety of a family member, or a family member was a victim of sexual assault that occurred on the premises during the 90 calendar day period before the family requests to move. In such a case the family will have to notify the HACN as soon as possible after they leave the unit, and the HACN will offer the family assistance to a different unit, or offer the family a Housing Choice Voucher if the family has been in the unit for at least a year or offer the victim a Housing Choice Voucher if a family breaks up as a result of domestic violence, dating violence, sexual assault, or stalking. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HACN may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If HACN has no safe and available units for which a tenant who needs an emergency is eligible, HACN will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant’s request, HACN will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.
