

**ADDENDUM NO. 1
REQUEST FOR PROPOSAL
ON-CALL ENVIRONMENTAL CONSULTING SERVICES
CITY OF NAPA, CALIFORNIA
July 8, 2019**

This addendum is being issued to respond to recent questions regarding the Request for Proposal (RFP) for On-Call Environmental Consulting Services dated June 24, 2019.

- 1) If resumes are provided in an appendix, do they count toward the 10-page limit?

No, not if they are provided as part of an appendix. However, the appendix should also be limited to 10 sheets, two-sided.

- 2) The RFP request a minimum of 3 sample projects. Is the minimum of 3 projects apply to each service sector or is that the overall number of projects to be presented? Should references be included?

The minimum of 3 projects can be applied to each service sector as long as the page count is not exceeded. References should be included.

- 3) Is there a list of anticipated projects?

The following is the City's list of anticipated projects. Note that not all projects listed will be executed under this contract. The projects include, but not limited to;

CEQA for CIP Projects

- Salvador Avenue Widening
- Linda Vista Ave Widening
- Browns Valley Rd Ped Improvements

Environmental Design/CEQA/Regulatory Permits

- Browns Valley Creek @ Buhman Ave
- Trancas Crossing Park

- Timber Hill Park Landslide
 - Riverside Drive/Napa River Bank
 - Kennedy Park/Napa River Bank
 - Terrace Drive/Tulocay Creek
 - Napa River Trail Bank Repair
 - State Route 29 Undercrossing (Monitoring/Mitigation)
