

AN INTRODUCTION TO

# HEALTH IN ALL POLICIES

Panel Presentation • October 7 • 5:30 pm to 7:00 pm

Please join the City of Napa and our regional partners- Bay Area Air Quality Management District (BAAQMD), California Environmental Justice Alliance (CEJA), Veritable Good Consulting and the City of Richmond - City Manager's Office as we discuss the role of public policy in shaping community health outcomes.

Health in All Policies (HiAP) is a collaborative approach that integrates and articulates health considerations into policymaking across sectors to improve the health of all communities and people. Join us! Contact [LHNC@countyofnapa.org](mailto:LHNC@countyofnapa.org) with questions.
