JOSEPH "JOE" MARTIN PERRY III
1950 - 2019

Joseph "Joe" Martin Perry III, 68, died peacefully on March 20, 2019 in Napa, CA after suffering a stroke and a brief battle with cancer. Joe was born on October 25, 1950 in San Leandro, CA to Joseph and Doris Perry. He attended Marina High School and graduated in 1968. After serving in the Air National Guard, he returned home and married his high school sweetheart, Cynthia “Cindy” John. Their daughter Marsha was born in 1970 and son David was born in 1973. Joe was determined to lead his own department and in 1991 was hired as the Fire Chief for the City of Napa, where he remained until retiring in 2004. Joe was a competitive athlete, supportive coach and overall sports enthusiast. Even while caring for his wife Cindy who was diagnosed with Alzheimer’s, he never missed a grandchild’s game. He also enjoyed playing golf and completed many marathons.

LELAND "LEE" E. MITCHELL
1940 - 2019

Lee passed away on June 7, 2019 after a lengthy illness. In 1987, Lee was diagnosed with Non-Hodgkin’s Lymphoma and had a bone marrow transplant which helped put him in remission for many years. Lee was born on August 23, 1940 in Ukiah, CA to Clarence Mitchell and Cleo Wade Mitchell. After years of growing up assisting his dad on a sheep ranch, enjoying horses, hunting and fishing, he came to Napa to attend the Junior College. There he met his future wife, Arlene Kangas. They were married in 1961 and had 58 years together. In 1965, Lee had the opportunity to join the Napa City Fire Department. He took this opportunity to improve his knowledge of the Fire Service and EMS, by taking classes in First-Aid, CPR Training & Fire Rescue. During the years of working for the Napa City Fire Department, Lee became a Boy Scout Leader, started the Napa Fire Explorer Post 220, coordinated the start of our excellent Napa Paramedic program (1978) and managed the Napa City Fire Reserves.

WILLIAM D. ROBERTSON
1943 - 2019

William "Bill" D. Robertson passed away surrounded by his family at home in Napa County at the age of 76. Bill was born on September 20, 1943 in Seattle Washington to parents William H. Robertson and Beatrice M. Robertson. Bill attended Napa schools and graduated from Napa High in 1961. It was at a JOBS Daughters/DeMolay dance where Bill met the love of his life, Thora Ward. After Bill and Thora were married, Bill accepted a position with the Contra Costa County Sheriff’s Office as a Deputy Sheriff in January of 1966. In 1969 Bill left the CoCo County Sheriff’s Office to take a job with the City of Napa Fire Department IAFF Local #3124 as a Fireman where he eventually promoted to Engineer, Fire Inspector with the Fire Prevention Bureau and Captain, a position he held until his retirement in 1998. While with the Napa Fire Department, he attended the National Fire Academy in Maryland. Bill enjoyed American History and was well versed in the facts about the American Civil War. His other hobbies were stamp collecting, blacksmith metallurgy, and listening to Blue Grass Music.
CHIEF’S MESSAGE

It is a pleasure to present our Annual Report on behalf of the Napa Fire Department. 2019 was the year of culture change. The City of Napa recognized an opportunity to inspire and motivate the workforce by engaging, energizing and empowering leaders throughout the organization. As Chief, I’m proud to say the Fire Department has not only kept our mission true but has also shown that being successful is not enough. We strive to add value, inspiring ourselves and others to rise above the chaos, have faith in one another and take action that truly makes a difference. We’ve proven to be a department of leaders that takes ownership and navigates through challenges. This year, many staff members participated in a series of voluntary Leadership Challenges, where they were encouraged to begin a new journey to Leadership. Leadership that is for, and expected by all in the Fire Department.

In addition, the Fire Department has continued to work on key initiatives like workforce training, development and succession planning. As always, we will continue to be mission driven and relationship oriented, while communicating, coordinating, collaborating, and having a commitment to providing excellent service for the community we serve.

Respectfully,

Steve Brassfield

Our very own Firefighter/Paramedic Rodger Collinson made his TV debut on Guy Fieri’s Food Network show, “Guy’s Grocery Games,” where contestants often prepare meals with groceries bought on a budget. His passion for cooking not only won over the judges, but won the Napa City Firefighters Charitable Fund $40,000.

On April 12 Firefighter/Paramedic Matt Gonsalves accepted the "Good Neighbor & Partner Award" from the Red Cross on behalf of the Napa Fire Department. This award was presented in recognition of our Smoke Alarm program which installed 1/5th of the Red Cross's yearly goal. Thank you Matt for your hard work on this program!
MAJOR WEATHER & CITY WIDE INCIDENTS

From Red Flag Warnings, to extreme wind, and major power shutoffs, Napa endured severe weather again this year. In addition, NFD responded to significant structure fires and HAZMAT incidents. Pictured to the right are few snapshots from a few calls from this past year.

BOTTLE ROCK

Napa hosted BottleRock again for the 7th year, bringing in more than 120,000 attendees. We assisted the festival with numerous crews and personnel, to help provide fire and life safety.

MAJOR CITY INCIDENTS

OUT OF COUNTY ASSIGNMENTS

NFD Crews were called upon to fight the Kincade Fire and to standby for other threats and wind events throughout the area.

Another successful Fire and Life Safety day! In addition to our vehicle rescue simulation, this year, we challenged our young visitors to test their strengths with our new obstacle course. The course included kid friendly versions of a hose drag, a tunnel crawl, and rescuing a 5' bear. This was a fun approach to experience a few types of calls firefighters respond to.

NFD continued to maintain a strong community connection through our school readings and by supporting a variety of charities throughout the year. Our newest recruits participated in the Salvation Army Bell Ringing Competition between Fire and Police. We were able to raise over $1,100 thanks to our donors.

NCFA hosted a "Fill the Boot" fundraiser to raise money for the Firefighters Burn Institute, they raised about $14,000.
2019 PROVED TO BE A RECORD BREAKING YEAR AS WE SURPASSED 10,000 INCIDENTS AND HAD AN ALMOST 50% INCREASE IN CALL VOLUME OVER THE PAST DECADE.
