Inspecting Personnel:

Name: _____ Phone Number: _____

Name: _____ Phone Number: _____

California Fire Code - Chapter 31 - Section 3103

The entire tent, air supported, air-inflated or tensioned membrane structure system shall be inspected at regular intervals, but not less than two times a per permit use period, by the permittee, owner or agent to determine that the installation is maintained in accordance with Chapter 31.

Exception: Permit use periods of less than 30 days.

Where required by the fire code official, an inspection report shall be provided and shall consist of maintenance, anchors, and fabric inspections.

By signing below, you are accepting responsibility and confirming that you are meeting the requirements set forth by the California Fire Code, other applicable codes, standards and the Napa Fire Department.
